Extract from the Council's Proceedings dated 26th April 1923.

"With reference to Resolution No. VI of the last (Ordinary) meeting, Mr. P. S. Anantha Rao says that what some of the Municipal Councillors said was not that the "interference by the Sanitary Commissioner in matters Municipal, was uncalled for," but that the Sanitary Commissioner was not requested by the Municipal Council to give his opinion in the matter, and that it was volunteered by him."

The majority of the Councillors present agree with Mr. P. S. Anantha Rao.

The Proceedings in other respects are confirmed.

The President explained to the Council that on the Sanitary Commissioner who is the expert advisor of Government, considering it was necessary to increase the number of Sanitary Inspectors, the Government had called for the opinion of the Council in the matter—Some of the Councillors remarked that the interference by the Sanitary Commissioner in matters Municipal, was uncalled for. After some discussion it was resolved that their Resolution No. III, dated 8th December 1923, "that the Municipal Council reserve their opinion in the matter, till they have tried their original Resolution No. V, dated 8th July 1922 till the end of the official year 1923-24" may be adhered to.

" M. K. Madhava Rao Powar.

" M. L. Vasudeviah.

" U. R. Lingoji Rao.

" Dharmaprakasa Mr. D. Banumiah.

" Mr. V. Thiruvengada Mudaliyar.

" M. Narayanaswamy.

" K. Dhanakoti Chetty.

Manegar, Chikkaiah's appeal with all connected file of papers.

The President made a statement of the case on its merits and regretted that the papers relating to enquiries in cases of embezzlement, cannot be circulated or laid on the Table, consistent with public interests, and that under the Municipal Regulation and powers delegated to the President, no appeal to the Council lies on his orders of dismissal of officials whose pay does not exceed Rs. 40 per month.

It was observed by some, that under Section 184 of the Municipal Regulation, the dismissal of Municipal servants on pay of Rs. 15 and less vested with the Chief Officer and that the President cannot exercise his powers in such cases. The President explained that the powers exercised by the President and the Chief Officer in such cases were co-ordinate and concurrent and that in cases of defalcations, etc., where a number of persons were involved, the ends of justice and equity required that the highest authority entitled to pass orders on any one of them should also pass orders in the case of others under the disciplinary control vested in him as President.

With this view, 9 disagreed, 4 agreed, and 1 remained neutral, two members having left the meeting in the course of discussion with the permission of the President.

For want of time, other subjects were deferred.

C. SRIKANTESVARA AIYAR,

President.
